No. 581.

SIR,—

I have the honour to transmit to Your Royal Highness, for the information of your Ministers, a copy of a notice published in the press on the 15th June, containing information for the guidance of persons desiring to record:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

2. The Foreign Claims Office referred to in the last paragraph of the notice has been set up at the Foreign Office for the purpose of dealing with all claims for the settlement of which no satisfactory machinery has existed hitherto, and which are foreign in the sense that they are claims by British subjects against a foreign Government or by foreign nationals against His Majesty's Government.

I have, etc.,

A. BONAR LAW.

*The Governor-General,*

*His Royal Highness*

*The Duke of Connaught and of Strathearn, K.G.,*

BRITISH PROPERTY IN ENEMY COUNTRIES.

HOW TO RECORD CLAIMS.

WE are officially informed that it has been arranged that the Public Trustee shall keep a record of:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

Any person desiring to record such claims or property can obtain the necessary form for that purpose (Form G in the first case and Form H in the second) from the Public Trustee. Applications should be made to the Public Trustee (Trading with the Enemy Department), No. 2 Clement's Inn, Strand, W.C.

It must be clearly understood that the action of the Public Trustee will be confined to entering upon the record claims of which particulars are supplied to him, and that in no way commits His Majesty's Government either to responsibility for the correctness of the claim entered or to taking any action on the conclusion of hostilities or otherwise for the recovery of the debts or property in question.

The Public Trustee will record claims against enemy Governments in respect of public securities of those Governments held by the claimants, but

other claims against enemy Governments (e.g., in respect of goods or property requisitioned or sequestered) as distinct from claims against enemy subjects should be notified to the Director of the Foreign Claims Office, Foreign Office, S.W.

“LONDON,  
“October 22nd, 1915.

“TO MY PEOPLE:

“At this grave moment in the struggle between my people and a highly organized enemy who has transgressed the laws of Nations and changed the Ordinance that binds civilized Europe together, I appeal to you. I rejoice in my Empire's effort and I feel pride in the voluntary response from my subjects all over the world who have sacrificed home, fortune, and life itself in order that another may inherit the free Empire which their ancestors and mine have built, I ask you to make good these sacrifices. The end is not in sight. More men and yet more are wanted to keep my armies in the field and through them to secure victory and enduring peace. In ancient days the darkest moment has ever produced in men of our race the sternest resolve. I ask you men of all classes to come forward voluntarily and take your share in the fight. In freely responding to my appeal you will be giving your support to our brothers who for long months have nobly upheld Britain's past traditions and the glory of her arms. GEORGE R.I.”

WHEREAS by an Order in Council dated the 6th June, 1911, the regulations for the disposal of quartz-mining claims on Dominion lands, established by Order in Council dated the 13th of August, 1908, were extended and made to apply to lands within the forest reserves and parks set apart by the "Dominion Forest Reserves and Parks Act":

Pending the passing of special regulations which are now in course of preparation for governing the disposal and administering of mineral claims within the Dominion parks containing phosphate of lime, no operations whatever shall be carried on for the purpose of mining or developing of phosphate of lime contained in any such claims within the Dominion parks, entry for which has heretofore been granted and no further applications for such claims shall be accepted.
